When I sat down, I discovered I was next to someone very famous. I was so ~~amazed~~ shocked because I met one of my favourite singers - Ghostemane. I didn't expect to meet him here, in the "Kirova park". I couldn't believe it! I asked if I could take a photo with him. And he agreed! I talked to him for a few minutes and learned that he had come here to have a concert. He really loves Russia, our people and atmosphere. I loved our meeting very much and I think I will remember our meeting for years.

When I sat down I discovered I was next to someone very famouse. It happened in the airport. He and my family were waiting our luggage. I turned around and saw a famouse journalist. He with his pregnant wife were waiting the luggage too. Fortunately, I had a pen and a copybook in my bag that day. I took them and went across the room. I said hi and asked him for an autograph. He was a little bit tired but agreed and asked my name. Then we had a little conversation. I said thank you and went to my family. It was an extraordinary day.

So I decided that was enough. After one month my friends ~~aske~~ asked me to watch a game with them. And in the second part of the game there was some changes in their line-up. I realised that I ~~am~~ was next to Mesut Özil. And now I can finally rest with the peace in my soul

When I sat down, I discovered I was next to someone very famous. I was pretty sure I had seen her face before, but I absolutely couldn't remember where. It turned the woman's name was Hellen. She was in advanced age, but looked really good. Hellen was really nice and sweet. She talked with British accent. While talking to Hellen, I was trying to remember where I had seen. I had an idea to ask her who she is, but it would be very rude and silly of me. When she was gone, my classmates immediatly came to me and ~~starting~~ started asking me what she was like. I asked them why they are interested. It turned out that Hellen "was" Hellen Mirren - an Oscar-winning actress.

When I sat down, I discovered I was next to someone very famous Just a week ago, I recorded a cover on a song, called „Someone you loved" by Lewis Capaldi. When I showed the video to my friend Nancy, she started asking me to post my cover in the Internet ~~First~~ At the beginning, I didn't even want to listen to her because I was scared that people might don't like it. But I decided to do this. And after only a week my video was watched by 100 000 viewers! It's increadible!

Last summer my family and I went to USA. We stayed in a big beautiful hotel near the center of New York. It took us 5 hours to get there because ~~of a lot traffic~~. New York is really big, crouded city, which full of traffic. So when we arrived in the hotel I went to my room and fell on my bed. In our hotel there was a huge cinema. I went there to see English film to improve my skills in this language. Actually, the film was very interesting. But for me the most excited thing was the final. When someone turned on the light I realized that Cole Sprouse - famous american actor was sitting next to me. I was so happy. Of course I took some photos with him and told ~~about~~ this thing my friends. It was my lucky day!

When I sat down, I discovered I was next to someone very famous. It was Lili Reinhart. She is my favourite actress. She was telling me funny stories from her life. Then we went shopping together and bought the same clothes. I asked her some questions. She was confused, but answered them. Lili said that I have a talent and motivation to work as an actress. Suddenly her friend came. It was Richard Mitchell. He is my favourite actor. We were talking together for 4 or 5 hours. It was an amazing day! I'm so sad that there is no chance to be really.

When I sat down, I discovered I was next to someone very famous. When I understood that I was very suprised and didn't know what to say.

That person was a famous singer. His name is Gustav. His songs are usually sad and about love. That's why I was so suprised to meet him at the theatre.

As I sat down I said, "hello" and started to tell him, how I love his music. "Thank you. I'm glad that you like my music," he said. We had a good talk and I got to know more about this artist. As it was, he is not so sad but not very happy about every thing in his life neither. Gustav is a great artist I hope everything in his life will be good.

I'll never forget this day and the conversation of me and Gustav.
